OBJECTIVE: Seeking a position as a **Commercial Plumber** with Amway Constructions utilizing manual dexterity and excellent understanding of modern plumbing methods.

QUALIFICATIONS SUMMARY

- Over five years of experience working as a Commercial Plumber
- Highly experienced in demonstrating expertise in plumbing and maintenance services
- Hands on experience in working effectively with a crew
- In depth knowledge of plumbing codes and relative procedures

RELEVANT SKILLS

- Knowledge of building blueprints and schematics
- Excellent knowledge of plumbing tools and equipment
- Outstanding problem solving acumen
- Ability to work independently under tight deadlines
- Solid eye-hand coordination

ACCOMPLISHMENTS

- Diagnosed and repaired an extremely complex leak that affected an entire office building for weeks before it was discovered
- Devised and provided a number of clients with services for preventive methods as part of an after sales service deal

WORK EXPERIENCE

Jan 2009 – Present

Naton Plumbing and Maintenance – Newark, DE

Commercial Plumber

- Install and maintain heating and air conditioning systems
- Repair sanitation systems and bathroom fittings
- Fit and maintain domestic appliances
- Provide preventive maintenance and emergency repairs
- Review building plans and specifications to determine plumbing layout
- Troubleshoot existing problems
- Install valves where necessary
- Test pipe systems for leaks or problems
- Perform scheduled maintenance services

Aug 2007 – Jan 2009

Shapiro & Duncan – Rockville, MD

Apprentice Plumber

- Attended apprentice classes and maintained OJT logs
- Worked under direction of journeyman and foreman to assemble and complete work

Learned:

- Appropriate code (plumbing, HVAC)
- Read blue prints
- Uses to install plumbing/HVAC.
- Cut and thread pipe

I found the part about using the eye dropper tool and hide a massive chunk of hashtags particularly helpful. But the most valuable part of this process for them is that they get to feel empowered to manage their brand assets on their own — saving them additional production costs. Elevate it NowBranded template design on Adobe Spark brand manager Brianna HodgesBranded template design on Adobe Spark brand manager Tu EcoBranded template design on Adobe Spark brand manager Watch The Popular YouTube TutorialsFollow along in my YouTube tutorials and learn how to leverage the Adobe Spark family apps to create a captivating and memorable brand. I just followed for more action. @LoveMimosaj on Instagram Very cool! I had no idea there was a level depth control in the app. These graphics are part of large branding projects for some of my clients who are small business owners, marketers, social media managers, and personal brands.I leverage Adobe Spark's branding tools to help my clients maintain brand consistency with custom templates designed inside Adobe Spark's brand manager. Adobe Spark makes it easy for you and your team to promote your brand or business with stunning graphics, videos and animation. Will need to explore this further. Posted On February 1, 2022 Staff 0 Instagram is taking more decisive action against posts that may contain bullying or hate speech or that may encourage violence. Watch The Popular IGTV TutorialsI've created over 100 tutorials for Adobe Spark's IGTV's channel on Instagram. *As an Adobe Spark Brand Ambassador I receive compensation for affiliate links you see on this page. I've been teaching all about Adobe Spark's powerful branding capabilities since 2016, and I'm incredibly excited to be an official Adobe Spark Ambassador*. We cover from the basic how-to's to more advanced creative usage for Post, Video and Page. Don't forget to watch my tutorials or LinkedIn course to get you started. I also have an in-depth course on LinkedIn Learning called Learning Adobe Spark Post. I'm sharing a big handful below, just click on the button to start remixing the template and make it your own. I break down the content into easy to understand steps that help you infuse brand strategy, color psychology, design structure, and typography to help you increase brand awareness, generate sales and connect with your audience. Subscribe to the YouTube Channel Watch The Learning Adobe Spark Post Course on LinkedIn LearningWant to get an in-depth experience on getting started with Adobe Spark Post all the way up to more advanced uses? Thanks again!@NoemiGmalakun on Instagram Grab Your Free Remixable TemplatesOver the years of using Adobe Spark, I have designed hundreds of remixable templates for small business owners and entrepreneurs like yourself. This is set to make collaborations among designers, freelancers, creators, and marketing/social teams easier, and more efficient.Related | Insights From The Adobe Global Emoji Diversity And Inclusion ReportCreators will also be able to share their templates publicly with colleagues, followers, and customers.If you are looking to free up some time and make your customers feel more empowered, you can use this feature to set up clients to create their own posts, for example, while ensuring that all materials produced remain standardized.The ability to create templates to reuse will also help creators working solo to easily produce consistent content for brands or small businesses.Furthermore, if you're looking for ways to inspire your followers and further engage with them, you can use this feature to create publicly available templates that any Spark user in your community can modify and build upon.To get started, first turn your project into a template by clicking "Share" in the top right of your screen, and then "Make a Template." Fill out the template creation dialogue, and add your new template to a Library, or create a new one.In order to share your new template, navigate to the Library where your template is saved. Some notable brands include Adobe Creative Cloud, Adobe Spark with Twitter Business, LinkedIn, Dogs on Deployment (and a Purina partnership), the Houston Zoo, and Harris County in Houston Texas. Over the years I have partnered with the Adobe Spark team to develop blog content, remixable templates and IGTV tutorials. Learn how to use imagery that resonates with your target audience and works with your layout; how to use your brand's colors in a way that creates an emotional connection; how to create branded templates that can save you time and money; and more. In addition to covering the basics—such as how to create layouts and add text — I share how to leverage this tool in an intentional way. Thank you so much for sparking ideas in my brain!This is excellent! Thank you for all of the helpful information!Thank you for the tutorial. Start quickly from thousands of beautiful templates. So grab some popcorn and start binge watching. What Others Are Saying This is absolutely awesome! Love the way you provide learning tools for people to build their brand with. @FactionsBattlegrounds on Instagram This was great! I'm a writer and not much of a designer, but this breakdown gives me some confidence to save time and money by tackling this by myself. Make all your and your team's content look and feel consistent with Spark's award-winning, powerful branding capabilities. You can access all these amazing apps for free. Hola Spark community! If we haven't met yet, I'm Nicte and it's wonderful to have you here. Plus, you get a certificate of completion that you can proudly display on your LinkedIn profile. And if you want to level up your brand consistency in your templates, you will love using Adobe Spark Premium (if you already have Adobe Creative Cloud this is included in your membership). Adobe Spark Branded Templatesif you haven't experienced the power behind Adobe Spark's brand manager, here are some previews of what you can achieve. Click on the "Share" icon in the top right of your screen, and choose "Invite" to share the Library privately with select team members, or select "Make public link" to create an unlisted link that anyone can have access to.You can access public templates from either "Home" or "Templates." Finally, you can always look for inspiration and initiate your creative process from any existing template. I'm passionate about translating the complexities of color into nuanced, purpose-driven stories using color psychology and intentional messaging tools.In nearly two decades, I've worked on large rebrands, brand design, and brand management projects across the U.S. and around the world, in English and Spanish. Sign up now! Since I have so many resources, I wanted to spare you searching the end of the internet to find them — that's why we dedicated a page with all these resources in one place. As a Brand Strategist and Graphic Designer, I use empathy-driven tactics to help evolve, invigorate, and amplify businesses' unique brand positions. You can now easily create, share, and collaborate on templates within Adobe Spark.Adobe Spark, the design app that makes it easy to create social graphics, web pages, and short videos, just launched Shared Templates.The new feature allows multiple users to personalize content from the same set of templates across the web, iOS, and Android.

If you create your textures with Adobe® Substance Painter® texturing software use Spark AR templates to make your textures compatible. Merge materials as much as possible for performance benefits. For textures with a repeating pattern, import a lower resolution image and use Spark AR Studio's visual shaders and texture tiling feature instead of using a larger ... 04/05/2021 - The best business plan templates have deep value in the form of reusability. Thanks to templates like this one that's got over 360 unique slides, you can likely use it for your next few business concepts! Try out this business plan template PowerPoint to document your plans and prepare for the next launch. 29/07/2020 - Adobe Spark Label Maker. Adobe Spark Label Maker is a valuable software that enables you to design and create your professional-looking labels hassle-free. There is no need for a learning curve to understand how this adobe operator functions. In fact, it's simple and straightforward. 14/12/2021 - [Libraries][Content] Set Adobe Standard Material (ASM) shader as default for previews generation [Libraries][Content][ASM] New Project Templates for new ASM shader [Libraries][Thumbnail] Use new Studio 6 environment map [Libraries][Thumbnail] Read thumbnail in resource instead of generating it 19/07/2021 - Adobe fans will appreciate being able to quickly generate high-resolution logos without having to tax their computers by firing up Illustrator or Photoshop. Using Adobe Spark's easy and intuitive logo maker. The system won't suggest its own icons, but you can search from thousands of options. 02/01/2019 - While there are a lot many features in Adobe Spark but the justified alignment feature will always help you design a logo that looks perfect everywhere. On the other hand, you can check the Adobe Spark Pro version in just \$59.99/year. Adobe Spark Pricing. Adobe Spark offers a Starter Free Plan as well. While there are many programs out there - Canva, Adobe Spark, Lucidpress, Adobe InDesign and Microsoft Publisher - the best program to create your newsletter with is Visme. We offer a variety of templates and an easy-to-use design editor. 24/11/2019 - 10 best user flow templates and examples . If these user flow tools are not what you're looking for, here are 10 of the best and latest user flow templates and examples which just might be what you need to ignite that spark of inspiration: 1. ... Use our free online flyer maker to design custom flyers that make a lasting impression. Choose a template and customize it to fit your needs. Guide the recruiter to the conclusion that you are the best candidate for the maintenance worker job. It's actually very simple. Tailor your resume by picking relevant responsibilities from the examples below and then add your accomplishments. There are a lot of chart generating software that you can make use. Aside from that, we also have blank chart templates that are easy to fill in. You can spend more time analyzing your data and preparing the other parts of your presentation. They can spark visual interests. 31/12/2021 - Adobe Spark Cons - Pricing is a bit on the higher side - Adobe Spark Video app is only available on iOS - Branded presets and templates are not available in the Starter plan. Adobe Spark Video Pricing - Adobe Spark Individual: \$99.99/year - Adobe Spark Team: \$239.88/year. Adobe Spark Video Rating - 4.5/5 (Capterra) - 4.5/5 (G2) 3. Renderforest ...
